**Tavolo con struttura interna in metallo verniciata a polveri epossidiche o rivestita effetto legno, con gambe in mdf nobilitato melamminico o pet**

***/ Table with epoxy painted or wood-effect coated internal metallic structure, with melamine or pet nobled mdf legs***

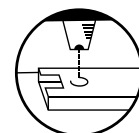

## TAVOLO MILANO / MILANO TABLE

Tavolo allungabile per interni con struttura interna in metallo verniciata a polveri epossidiche o rivestita effetto legno. Le gambe in mdf nobilitato melamminico o pet e su richiesta dotate di un dispositivo brevettato di ruote a scomparsa Click-Clack, che agevolano l'apertura del tavolo. Piano e allunghe con sp.18 mm in nobilitato melamminico, decorativo Cleaf o nella soluzione Glue Point, vetro o ceramica laminata abbinati a pannello. È disponibile con due allunghe da 40 cm e nella versione Long con tre allunghe da 40 cm in nobilitato o decorativo Cleaf.

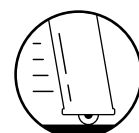

*Extendable table with epoxy painted or wood-effect coated internal metallic structure, dedicated to interior spaces. The melamine or pet nobled mdf legs are by request equipped with "Click-Clack", the patented retractable castor system, to facilitates the opening of the table. Top and extensions are 18mm thick in melamine nobled, Cleaf or in the "Glue Point" solution, matching the glass top with a melamine panel. It's available with two 40cm extensions, or in the "Long" version with three 40cm extensions.*

L.140/160/180cm x P.90cm + 2/3 allunghe da 40cm x H.76cm
