Tavolo Infinity - allungabile

Misure: L.140/160/180/200 + 2 allunghe da 40 cm  
x P.90 x H.76 cm

Struttura composta da profili in acciaio tagliati a laser, verniciata a polveri epossidiche. Giunto angolare d'unione stampato in lega di alluminio, in finitura spazzolata lucida o verniciata. Gambe in alluminio estruso dotate di un dispositivo brevettato di ruote a scomparsa "CLICK CLACK", che agevola l'apertura del tavolo.

Il piano e l'allunga sono impiallacciati sp.18 mm con bisellatura e angoli raggiati oppure con sistema "Glue Point", che consiste nell'incollaggio di un piano di 6 mm — vetro temperato, ceramica, laminato — su un sottopannello da 12 mm.

Per le finiture disponibili fare riferimento al listino prezzi in vigore.

*Infinity table – extendable*

*Measures: L.140/160/180/200 + 40 cm*

*(2 extensions) x W.90 x H. 76 cm*

*The structure is composed of laser-cut steel profiles, epoxy painted. Diecasted aluminum junctions powder coated or shiny brushed.*

*Legs, in extruded aluminium, are featured by a patented "Click Clack" system, which simplify the opening of the tables using small hidden castors.*

*The top and extensions are veneered 18 mm thick with bevelling and rounded edge or with the "Glue Point" system, which consist in gluing a 6 mm thick top — tempered glass, ceramic, laminated — on an underneath panel 12 mm thick. For the available finishings considering the current price list.*

Pag. 58-61 Tavolo Infinity con gambe in finitura brill 13, top in ceramica Oxide K1 con abbinata sedie Swinger in acciaio verniciato nero opaco 07 con rivestimento in ecopelle bianco 48.

Pages 58-61 Infinity table with legs in brill 13 finish, ceramic K1 Oxide top matched with matt black 07 painted steel Swinger chairs with white 48 similar leather coating.
