Scheda tecnica
/ Technical sheet

La struttura Krono è disponibile su misura a partire da 70x70cm fino a 240x140cm.

La collaborazione tra Pointhouse e MarmoArredo permette la creazione di tavoli fissi su misura con piano in agglomerato di quarzo, materiale estremamente resistente e duraturo, adatto sia all'uso domestico che pubblico, interno che esterno.

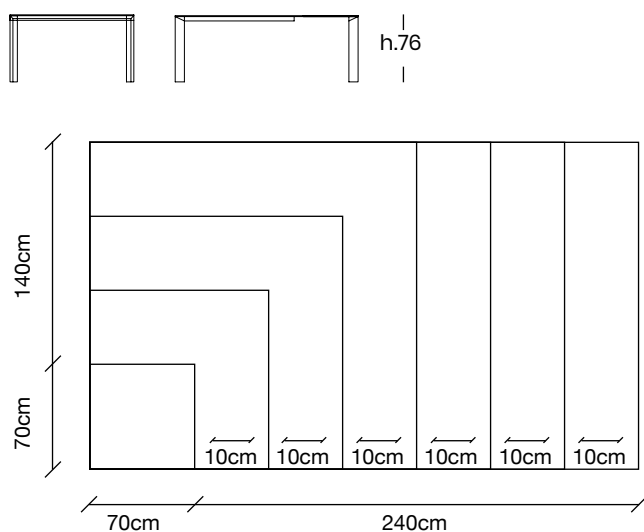

I piani Quarzform sono disponibili in 30 diverse finiture, in versione opaca e lucida. Abbinati alla struttura Krono in acciaio inox, inoltre, sono la combinazione perfetta per un tavolo da esterno elegante e senza tempo.

Krono is available in tailored dimensions from 70x70cm to 240x140cm.

The collaboration between Pointhouse and Marmo Arredo allows the creation of tailored fixed tables made with quartz agglomerate, extremely resistant and lasting material, suitable for public and domestic use, both for interior and outdoor.

Quartzforms tops are available in 30 different finishes, in matt or glossy finish. Matched with Krono's inox structure, are the perfect combination for an elegant and timeless exterior table.
